

Pannar Seed (Pty) Limited requires the services of a self-motivated person to fill the challenging position of:

NETWORK ADMINISTRATOR

The ideal applicant will have completed an MCSE or diploma in Computer Sciences with related 3-5 years' experience in the industry. Skills in networking, connectivity, desktop support and server administration, are essential. Oracle helpdesk experience will be an added advantage.

Good communication skills in dealing with end users and staff are essential, as is fluency in Afrikaans. A degree of travel is also involved.

Based at our Head Office in the picturesque Midlands of KZN, Greytown offers good schooling, shopping facilities and some of the most spectacular outdoors in the county. The town is centrally situated 1 hour from Pietermaritzburg, 2 hours from Durban and 4 hours from Johannesburg with the nearest Drakensberg and coastal resorts just over an hour away.

We offer a competitive salary package and pleasant working conditions.

Forward written applications, accompanied by a comprehensive CV, in confidence to the Manager: Human Resources, Pannar Seed (Pty) Ltd, PO Box 19, Greytown 3250.

Fax: (033) 413-9682 or 086 604 0823.

E-mail: hr@pannar.co.za

Web page: www.pannar.com

Closing date: 21 July 2008.
